Find out if your business is an “essential service” as defined by Texas Executive Order GA-14.

Mayor’s declaration order for ALL IN Amarillo

Public Health Order

A low-risk business MUST be able to:

- Keep all employees and customers at least 6 feet apart at all times

- Never exceed gatherings of more than 10 people
- Take extra measures to sanitize common surfaces, including counter tops, carts, faucets, etc.

AND

- Ensure employees and customers maintain enhanced hygiene practices

Can you meet those requirements?

Yes: You are exempt as a Low-Risk Business and may continue to operate as long as you meet the requirements

No: You are NOT a Low-Risk Business, and you should close operations if you are not specifically listed as an essential business.

Show the world you're **ALL IN**

This is Amarillo's opportunity to come together and show the world how a strong community makes it through a trying time. To join our **ALL IN Amarillo** campaign, put something yellow at the front of your house or in your front yard. It can be something as simple as a yellow towel in the front window, or it can be a banner your children worked on as an art project. We're looking forward to seeing your creativity!

The goal of putting up something yellow for **ALL IN Amarillo** is to show our gratitude for hospital personnel, first responders, grocery store and restaurant employees and everyone else working to keep us safe, healthy and supplied during this time. ***We're ALL IN this together.***
