**WHEREAS**, on June 3, 2020, Gov. Abbott issued GA-26 to allow additional openings in the state of Texas; and

**WHEREAS**, the number of confirmed cases in Waco and Texas has increased; and

**WHEREAS**, as of July 20, 2020, there are 325,030 persons confirmed to have COVID-19 in Texas, with 3,472 of those residing in McLennan County; and

**WHEREAS**, because of the risk of the rapid spread of the virus, the need to protect the most vulnerable members of the community, and the desire to slow the spread of COVID-19 to the

maximum extent possible, this Order is required; and

**WHEREAS**, this Order is issued based on evidence of increasing occurrence of COVID-19 within the City and throughout the Central Texas area, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the City places it at risk for serious health complications, including death, from COVID-19; and

**WHEREAS**, making the problem worse, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus; and

**WHEREAS**, because even people without symptoms can transmit the disease, and evidence shows the disease is easily spread; and

**WHEREAS**, the scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. By reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in the City; and

**WHEREAS**, local health officials, the local hospitals, and the Health District are all calling for this action to flatten the curve of the virus transmission, and have warned that not taking action could result in the medical resources of McLennan County being overcome; and

**WHEREAS**, a declaration of local disaster and public health emergency includes the ability to reduce the possibility of exposure to disease, control the risk, promote health, compel persons to undergo additional health measures that prevent or control the spread of disease, including isolation, surveillance, quarantine, or placement of persons under public health observation; and

**WHEREAS**, the City Council has determined that extraordinary and immediate measures must be taken to respond quickly to prevent and slow down community spread of COVID-19; and

**WHEREAS**, the City Council finds that it is in the public interest to authorize additional authority as described herein pursuant to the Texas Disaster Act of 1975, as amended, Vernon's Texas Government Code, and provide rules to protect the health of persons in the City pursuant to the Texas Government Code, as amended, and the Texas Health and Safety Code,

**NOW, THEREFORE, BE IT RESOLVED AND ORDERED BY THE MAYOR AND THE CITY COUNCIL OF THE CITY OF WACO, TEXAS:**

1. The foregoing recitals are incorporated herein and made findings of fact.

2. That the previously declared local state of disaster and public health emergency for the City of Waco, Texas is hereby renewed, restated, and continued, as amended herein.
3. That pursuant to Texas Government Code §418.108(b), the state of disaster shall continue until 11:59 p.m. on August 31, 2020, unless continued, renewed, or rescinded by the City Council of the City of Waco.
4. That pursuant to §418.108(c) of the Texas Government Code, this renewal, restatement, and continuance of the declaration of a local state of disaster shall be given prompt and general publicity and shall be filed promptly with the City Secretary.
5. That pursuant to §418.108(d) of the Texas Government Code, this renewal, restatement, and continuance of the declaration of a local state of disaster activates the City's emergency management plan.
6. That the City affirms the requirements of the Governor's Executive Orders and Proclamations regarding the COVID-19 pandemic, including GA-23 and subsequent orders and proclamations ("Governor's Orders").
7. All public, private, and commercial laboratories operating within the City of Waco and performing COVID-19 testing shall report by 5:00 p.m. each day for the prior 24-hour period to the Health District:
  - a. the number of COVID-19 tests performed; and
  - b. the number of positive COVID-19 tests.

Such laboratories shall not provide names or other individually identifiable health information that could be used to identify an individual patient. This information will be used solely for public health purposes to monitor the testing conducted in the City and mitigate and contain the spread of COVID-19.

**8. Health and Safety Policy - Commercial Entities.**

- a. Every commercial entity in the City of Waco providing goods or services must develop and implement a health and safety policy ("***Health and Safety Policy***").
- b. The Health and Safety Policy must require, at a minimum, that every employee or visitor to the commercial entity's business premises or other facilities wear a face covering when in an undivided room or area with coworkers or the public or while performing an activity which necessarily involves or is reasonably likely to involve close proximity to coworkers or the public such that six feet of separation is not feasible.
- c. The Health and Safety Policy required to be developed and implemented by this Order may also include the implementation of other mitigating measures designed to control and

reduce the transmission of COVID-19 such as temperature checks or health screenings.

d. The commercial entity must post the Health and Safety Policy required by this Order in a conspicuous location sufficient to provide notice to employees and visitors of its Health and Safety Policy.

e. Failure to develop, conspicuously place, and implement the Health and Safety Policy required by this Order on or before 12:01 a.m. on June 26, 2020 may result in a fine not to exceed \$1,000.00. Each day on or after June 26, 2020 for which a Health and Safety Policy is not developed, conspicuously placed, and implemented shall be a separate offense.

f. It is a defense to prosecution that the commercial entity operated a restaurant or bar and did not require a patron to wear a face covering while eating or drinking when the patron was at least six feet away from persons not in his or her party.

9. **Face Coverings - General Public.** That all persons 10 years or older shall wear a face covering over their nose and mouth when in a public place where it is difficult to keep six feet away from other people or working in areas that involve close proximity with coworkers. The CDC advises face coverings for people 2 years or older. Face coverings may include homemade masks, scarfs, bandanas, or handkerchiefs. Residents of the City of Waco should continue to maintain social distancing of at least six feet while outside their home. That all employees working for the City of Waco are also required to wear face coverings under the same circumstances as the general public.

**IT IS STRONGLY RECOMMENDED THAT YOU NOT OBTAIN OR WEAR MEDICAL MASKS OR N-95 RESPIRATORS AS THEY ARE A NEEDED RESOURCE FOR HEALTH CARE PROVIDERS AND FIRST RESPONDERS.** Our healthcare workers and first responders on the front-line combating COVID-19 must have priority access to medical masks or other personal protective equipment. Face coverings do not need to be worn in the following circumstances:

- a. When exercising outside or engaging in physical activity outside;
- b. While driving alone or with passengers who are part of the same household as the driver;
- c. When doing so poses a greater mental or physical health, safety, or security risk;
- d. While pumping gas or operating outdoor equipment;
- e. While in a building or participating in an activity that requires security surveillance, screening, or identification, for example, banks; and
- f. When consuming food or drink.

Please note that face coverings are a secondary strategy to other mitigation efforts. **Face coverings are not a replacement for physical distancing, frequent handwashing, and self-isolation when sick.** All people should follow CDC recommendations for how to wear and take off a mask. Residents should keep up the following habits while in public: washing

hands before you leave home and when you return, staying at least six feet away from others, avoiding touching nose or face, not using disposable masks more than three times, and washing reusable cloth masks regularly to prevent the spread of the virus.

Consistent with Executive Order GA-26 issued by Governor Greg Abbott, no civil or criminal penalty will be imposed on individuals for failure to wear a face covering.

10. That all provisions of this Order should be interpreted to effectuate this intent. To the greatest extent possible, this Order shall be interpreted as consistent with and supplemental to any executive order issued by the Texas Governor. All provisions of the executive orders of the Texas Governor either existing or subsequently issued, and which are made applicable to all jurisdictions by law, shall be automatically incorporated into and constitute terms of this Order, and shall be enforceable as if set forth herein without the necessity for the issuance of any further orders.
11. That except for Section 9 of this Order, and in accordance with the limitations contained in the executive orders of the Texas Governor, that any peace officer, code enforcement officer, health official, or other person with lawful authority is hereby authorized to enforce the provisions of this Order in accordance with the authority granted under the Texas Disaster Act of 1975.
12. That the following sections of the Code of Ordinances, City of Waco, Texas, are hereby suspended or modified until the state of disaster is terminated or until there is a subsequent resolution of this Council, whichever occurs first:

  - b. § 24-127 which limits the City Manager's authority on expenditures;
  - c. Article VI City Council Meeting Procedures of Chapter 2 to the extent that it requires in person participation and/or public comment on agenda items.
13. That any City ordinance or regulation imposing a time requirement for payment, filing, or appealing a decision, may be extended by the Mayor without further confirmation by the City Council.
14. That the Mayor may suspend or modify any other ordinance or regulation of the City of Waco for a period of not more than seven days from the date of this resolution unless continued or renewed by the City Council of the City of Waco.
15. That no development applications, zoning applications, special permit, or variance applications that require approval from the Plan Commission, Board of Adjustment, Historic Landmark Commission, or the City Council shall be accepted until April 7, 2020,

or earlier upon approval by the City Manager of a method of accepting applications other than in person.

16. That the halting of disconnections of water service because of payment delinquency is ratified and that for water accounts that are currently delinquent and would typically be scheduled for disconnection, no additional late fees will be applied if payment arrangements are made while this Resolution is in place.
17. That any fines or fees may be suspended or discontinued by the Mayor.
18. That City Council meetings may be conducted in accordance with alternate measures as permitted by law.

20. That the City Manager or the designee of the City Manager is authorized, without further approval of the City Council, to:
  - a. Make application for local, state, and federal assistance as necessary and/or applicable;
  - b. Accept on behalf of the City services, gifts, grants, equipment, supplies, and/or materials whether from private, nonprofit, or government sources;

After cessation of this emergency, the City Manager shall provide the City Council a list of all actions taken under this paragraph.

- 21. That although not required by law and out of an abundance of caution, the City Manager or the designee of the City Manager is authorized to (and any prior acts are ratified):
  - a. Close, including a closure to the public, of any City offices, facilities, or properties, including parks, playgrounds, or playground equipment; and

- 22. That any ordinances, rules, or regulations of the City of Waco, Texas, that conflict with this Resolution are hereby suspended, such suspension to remain in effect until the state of disaster is terminated or until there is a subsequent resolution of this Council, whichever occurs first.

- 25. That the City of Waco must promptly provide copies of this Resolution by posting it on the City of Waco website. In addition, the owner, manager, or operator of any facility that is likely to be impacted by this Resolution is strongly encouraged to post a copy of this Resolution onsite and to provide a copy to any member of the public asking for a copy.
- 26. Failure to comply with any of the provisions of this Order constitutes an imminent threat to public health.

That this declaration also hereby authorizes the use of any other lawfully available enforcement tools.
28. That any violation of this resolution can be enjoined by a suit filed in the name of the City of Waco in a court of competent jurisdiction, and this remedy shall be in addition to any penal provision in this resolution or in the Code of Ordinances, City of Waco, Texas.
